

SU CLASS SCHEDULE BUILDER

DESIGNED FOR STUDENTS OF SYRACUSE UNIVERSITY

Our class schedule builder provides an organized and easy to use service for Syracuse students. The current service, MySlice can be difficult to navigate and very unclear when selecting classes for the upcoming semester. This alternative is simplified and very clear while displaying every course offered at the university. If you've been having trouble finding classes, for next semester, then our program is the best solution for you

```
How many classes are you taking?: 3
Enter a class code here: IST
Enter a number code here: 101
Enter a time that you want to take this class: 5-7
Enter the building you want to take this class in: Hinds Hall
Enter a class code here: IST
Enter a number code here: 195
Enter a time that you want to take this class: 11-12
Enter the building you want to take this class in: Falk
Enter a class code here: NSD
Enter a number code here: 225
Enter a time that you want to take this class: 10-11
Enter the building you want to take this class in: Falk
```

	0	1	2	3
0	IST	101	5-7	Hinds Hall
1	IST	195	11-12	Falk
2	NSD	225	10-11	Falk
